PO Box 187 Murphysboro, IL 62966 (618) 684-4521 FAX: (618) 687-1622

As we approach the midway point of 2019, work is steadily getting better. Our Signatory Contractors are putting more and more of our qualified craftspeople to work. We at UA Local 160 strive to provide our Contractors with skilled and professional tradesmen that will give end-users the best job possible. That can be anywhere from Residential homes, Hospitals, Schools, Churches, Chemical Plants or Power Generating Stations. Our Training Facility has Certified Teaching Professionals that will provide all necessary instruction to ensure our members will have the best education possible. Our members will be able to provide excellence in the Plumbing and Piping Industry throughout our Jurisdiction. We have an open door policy here at UA Local 160, if you are an Illinois Licensed Plumber or a Certified Pipe Welder and are interested in becoming a member, please stop in and see us. If you are a Plumbing, HVAC or Piping Contractor that is interested in becoming one of our many Signatory Contractors, we can supply you with highly trained and motivated work force. Our members are very active in surrounding communities with charities, school boards and city councils. We along with our Contractors provide our members with the ability to provide for their families and would like the opportunity to do the same for many years to come. That can only happen with growth, so that is our goal together.
